PHOTOGRAPHY • WRITER • LEADERSHIP • MEDIA • EDITING • TECHNICAL EXPERTISE

I am a committed journalist that pays close attention to detail, comfortably meets quick deadlines, demonstrates enthusiasm about the field of journalism, strives to tell unique stories, possesses a strong work ethic, is motivated to grow, and can be relied upon to work efficiently both on a team and individually.

PROFESSIONAL EXPERIENCE

PRODUCTION ASSISTANT, MOREHEAD PLANETARIUM AND SCIENCE CENTER

Chapel Hill, NC | MAY 2018 - AUGUST 2018

Planned and shot 360° video for the Planetarium's feature-length film premiering next Spring, attended editing sessions for the film and edited videos for Planetarium exhibits.

ARCHIVAL PRODUCER, "SILENCE SAM" FILM

Chapel Hill, NC | JAN 2018 – MAY 2018

Researched the topic at hand, worked with Wilson Library archivists to locate materials, navigated through historical photo collections, selected photos for use from collections, scanned selected photos, resized images, compiled scenes for feature-length film.

STAFF PHOTOGRAPHER, THE DAILY TAR HEEL

Chapel Hill, NC | AUGUST 2017 - AUGUST 2018

Photography assignments (sports, features, portraits), effectively communicated with staff writers, produced work and adhered to strict deadlines.

PHOTOGRAPHY INTERN, WILMINGTON STARNEWS

Wilmington, NC | MAY 2017 - AUGUST 2017

Made photos for daily assignments, communicated with newsroom, produced high-quality work on strict deadlines.

ADDITIONAL EXPERIENCE

National Press Photographers Association – Current Treasurer

Carolina Photo Journalism Workshop – May 2017

Carolina Sports Photography Workshop - November 2016

Proficient in the Adobe Creative Suite, Hootsuite, Constant Contact, WordPress

Relevant skills: photo selection, photo processing, studio lighting, location lighting, editing, audio/video production, design, and social media management across several platforms

AWARDS & RECOGNITIONS

Online News Association's 2018 David Teeuwen Student Journalism Award – Aftermath UNC

The team traveled to Puerto Rico in March 2018 to create an interactive multimedia project covering Hurricane Maria's impact on Puerto Rico. My video is on the Ecology tab. Link to project: <https://aftermath.unc.edu/>.
